Mutual Release dated September 18, 2007.

With reference to my previous correspondence concerning issues raised under the referenced Mutual Release, please inform me by return mail, your response to the following questions:

1. Does the Commission have the jurisdiction and authority to order Progress Energy's compliance with paragraphs 1 and 2 of the Mutual Release that Mr. Anthony formally filed with your Office on or about September 27, 2007?

- a. If yes, please cite legal authority.
- b. If no, please cite legal authority.

2. Re "Change of Providers" pursuant to Paragraph 5 of the Release:

a. Mr. Weaver duly informed you he was going to attend, please respond promptly in **writing** as to why the Commission postponed its meeting on Oct 17, 2007 to consider my earlier request filed on or about September 22, 2007 for information on procedures and policy to effectuate the change of providers. Time being of the essence.

b. Please inform me of the date of the Commission's meeting to consider my request. Time being of the essence.

3. Please note that it is of no excuse or reason, for the Commission to defer its consideration of my request based on the Mutual Release, per se. Under the Commission's regulations and the State's statutes on change of providers, as a resident consumer of electricity, I have every right to make an inquiry whether or not it was related to the Mutual Release.

4. Notwithstanding the Commissions additional breach of due process in favor of Progress Energy, you are again given notice that time is of the essence in resolving this

5. Finally, you are again given notice that I am still waiting for the Hearing Officer's response to my earlier pleadings on matters before the commission, which may or may not have any bearing on the issues before the Dillon Court.

6. Your timely response to the above is respectfully requested. For the record please note that this and previous correspondence on this subject is formally filed as part of my process of exhausting administrative relief and mitigation of damages, etc., with respect to present and future litigation before the Dillon Court..

Respectfully submitted.
